As you may know, the former Attorney General Jody Wilson-Raybould has alleged that the PMO pressured her to intervene with prosecutors pursuing criminal charges against SNC-Lavalin.

Prime Minister Justin Trudeau and his office strongly deny they pressured the Attorney General. Following her statements and the release of an audio recording the Prime Minister ousted Jody Wilson-Raybould from the Liberal caucus saying trust has been broken.

Regardless of the party you would vote for, on this issue are you more inclined to support Jody Wilson-Raybould or the Prime Minister?
